Summer CPE at Baylor St. Luke's gives students the opportunity to practice the art of pastoral care in a faith-based, top-ranked cardiac hospital, as well as Texas Children's Hospital, a Level 1 trauma center ranked 4th in the nation. Interns enjoy seminars with a diverse student group that challenges them to articulate their theology and ministry with peers who are different from them. Come experience this once in a lifetime opportunity!

St. Luke's offers a 10 week summer intensive program designed for seminarians or qualified lay people seeking their first unit of CPE.

As a summer intern, you will be supervised in your practice of pastoral care with those in crisis, working with peers from other traditions to integrate your personal and spiritual history, engage in theological reflection, and refine your ministry goals for the future.

Diverse student groups and clinical sites, collaboration with staff chaplains, the scope and energy of the Texas Medical Center, and the urban setting of Houston make Baylor St. Luke's summer CPE a fun, challenging, and unique opportunity we hope you'll consider.

- Collaborate with experienced chaplain residents covering on-call for both hospitals.
- Learn to be there for those in crisis, while learning more about who you are as a minister.

Way Cool Benefits:

- Celebrity Status:
Free Valet Parking!
- Meal Discounts!
