

Margaret Lee, M.D.

Margaret Lee, MD, is dedicated to the diagnosis and treatment of multiple medical conditions, including high blood pressure, diabetes, coronary artery disease and preventative medicine.

After earning a medical degree from The University of Texas at San Antonio, Dr. Lee completed an internship and residency in Internal Medicine at The University of Texas Medical Branch at Galveston.

In her practice, Dr. Lee provides her patients with high-quality healthcare through compassion, experience, optimum communication and dedication to making a positive impact on their lives.

The native Houstonian, who is fluent in Mandarin, hopes that through her practice she is able to give back and make a difference in the community.
